TEEN DISAPPEARED 20 YEARS AGO TODAY

Twenty years ago today, 13-year old Andrea Durham disappeared from her family's Ocean City apartment near Fort Walton Beach.

Durham was home alone on the evening of February 1, 1990. When her mother and sister returned home from a meeting, they found Andrea's purse and all her personal belongings inside, but Andrea was gone.

Investigator Roberta Holloway says nothing was out of place and there were no signs of a struggle or foul play. Many leads have come in over the years but none panned out. Still the case remains an open missing person investigation at the Okaloosa County Sheriff's Office.

The details and photographs are also featured today in a story on cnn.com in hopes of generating new leads.

Anyone with information on the missing teen is asked to contact the Okaloosa County Sheriff's Office at 850-651-7400 or Emerald Coast Crime Stoppers at 850-863-TIPS.
