**THIEVES STEAL ANIMAL VACCINES FROM VETERINARY CLINIC**

More than five-thousand dollars worth of animal vaccination doses were either stolen or ruined after someone broke into Friendship Veterinary Clinic.

Deputies say the burglar or burglars broke a window and entered the building at 623 Beal Parkway sometime between nine p.m. July 22<sup>nd</sup> and six a.m. on July 23<sup>rd</sup>. When the veterinarian entered on the morning of the 23<sup>rd</sup>, he found the refrigerator with animal vaccinations inside open. Assorted packages were on the floor. Others were found on the ground in the drive through at a business at 575 Beal Parkway. The veterinarian says some vaccinations were missing while thousands of dollars more were ruined due to not being refrigerated.

Anyone with information on this crime is asked to call the Okaloosa County Sheriff's Office at 850-651-7400 or Emerald Coast Crime Stoppers at 850-863-TIPS.
