SPRING BREAK SAFETY

School Resource Officers at Crestview High School and across Okaloosa County are asking students to focus on staying safe during the upcoming Spring Break. Okaloosa students are off from Friday, March 26th til Monday, April 5th.

Crestview High's School Resource Officers Tuesday set up a display on school grounds designed to encourage students to make good choices and to think about the potentially catastrophic consequences of drinking and driving.

The display features two wrecked cars and a hearse from Whitehurst Funeral Home, along with a banner and signs about the dangers of drunk driving.

The Okaloosa County Sheriff's Office also wants teens to keep in mind that speeding, as well as texting while driving, are also major causes of fatal accidents involving young people.
