EXPLORERS CONTINUE DECAL PROGRAM FRIDAY

The Okaloosa County Sheriff's Explorers will continue their Decal Drive March 26th through the 30th. They'll be visiting area businesses to help the group raise money and prepare for emergencies. They will be finishing up areas on Eglin Parkway Friday and then start Beal Parkway and possibly the Mary Esther Cut-Off area.

The Explorers are giving out decals for businesses to place in a window. The decals will allow law enforcement officers responding to that business to scan the sticker for emergency contact information.

The Explorers Program is designed to enhance leadership skills in young people and to help introduce them to a potential career in law enforcement. The decals are free but donations are being accepted.

For more information on the program, contact Deputy Tom Henry at 833-3614.
