## **CHILD MOLESTER INVESTIGATION CONTINUES**

*Michael Power*

Investigators with the Okaloosa County Sheriff's Office and Emerald Coast Children's Advocacy Center say a Fort Walton Beach man charged in October with multiple counts of molesting boys and girls under the age of sixteen may have abused additional victims. 35-year old Michael Power had been operating Rhubar's Magic Show and often went by the street name "Magic Mike".

Power was arrested by the OCSO in October 2010 on five felony counts of lewd and lascivious behavior in connection with four victims. (Arrest reports are attached.) Those crimes occurred over a time period ranging from December 2008 to April 2010. Investigators are concerned that other children may have been targeted as well through Power's Magic Show business.

Anyone with concerns or information is asked to please contact the Okaloosa County Sheriff's Office at 850-651-7400.
