TWO DEAD IN APPARENT MURDER-SUICIDE IN NORTH OKALOOSA

The Okaloosa County Sheriff's Office is investigating an apparent murder-suicide at 8382 Thames Road. Deputies were called to the scene in North Okaloosa County around 2:15 Monday afternoon. A female victim found inside the house has been identified as 60 year old Polly Ann Boaze of that address. The man believed to have been the shooter is identified as 52-year old Milan D. Tanton Jr, originally from Dothan, Alabama. He was 52-years old and had been staying with Boaze temporarily.

Investigators say they developed information that Boaze had asked the male tenant to move out and he was in the process of packing up to leave today. A neighbor who went by the home to check on Boaze found the bodies and called 9-1-1.
