MISSING PERSON NADINE BOBUS LOCATED

A special needs Okaloosa County resident who had been missing since last week has been located. 41-year old Nadine Bobus of Shalimar left her residence on her bicycle September 15th, saying she planned to visit her boyfriend. Her in-home caretaker became concerned and contacted the Okaloosa County Sheriff's Office when Bobus had not returned by the next day. Bobus requires daily medication.

Deputies had been unable to locate Bobus, but after the case starting receiving media attention, they received several credible tips that she had been spotted recently in an area around Fort Walton Beach. This morning around 11:50 a.m., a woman called the Okaloosa Sheriff's Office to say Bobus was on her pink bicycle near the intersection of North Beal Extension and Lewis Turner Boulevard. Investigator Bob Norris made contact with Bobus a short time later on Racetrack Road. Deputies say she appears unharmed and says she has been staying at someone's home.

The Sheriff's Office wants to thank media outlets and the public for their help in assisting law enforcement officers in finding Ms. Bobus and ensuring her safety.
