## OCSO UNDERSHERIFF GRADUATES FROM FDLE LEADERSHIP PROGRAM

Okaloosa County Sheriff's Office Undersheriff Don Adams today graduated from the FDLE'S Florida Criminal Justice Executive Institute. Undersheriff Adams is one of twenty senior managers from law enforcement agencies across the state who took part. The group met for one week each month for three months at the Florida Department of Law Enforcement's Headquarters in Tallahassee to hone their leadership skills.

According to a news release from the FDLE:

**“Graduates took classes on topics such as futures, demography, budgeting, managing generations, ethics, and implementing strategic change.**

**The goal of the Chief Executive Seminar is to prepare Florida's criminal justice leadership for the challenging and changing demands of the future. Class participants study trends and events that may affect criminal justice professionals and our state. Classes were designed to develop new leadership skills to address and manage the changes that lie ahead.**

**The Florida Criminal Justice Executive Institute, established within the Florida Department of Law Enforcement and affiliated with the State University System, was established in 1990 by the Florida Legislature who recognized the need for an innovative and multifaceted approach to the education and training of criminal justice professionals.”**
