By: Loretta Menendian

FROM NORTHWEST FLORIDA STATE COLLEGE:

The Public Safety Department of Northwest Florida State College is teaming up with local artists to create striking works of art depicting people, places, and situations relating to a wide range of public safety disciplines. The paintings, a variety of shapes and sizes, and all available for purchase with cash or check, will be on display at the “Hearts in Art” art show November 30th and December 1st. A portion of the funds raised will be donated to the “Public Safety Memorial Fund.” The fund was established to raise money to build a memorial area near the Public Safety building on the Niceville campus to honor local heroes killed in the line of duty.
