On February 21, 2011 the agency received the following requests for Records.
The response is in **bold**.

All non-exempt records that indicate or would tend to indicate the make, model and serial number of every firearm in your agency's inventory and the name and badge number of the sworn officer to whom those weapons are currently assigned. This records request is not intended to include records relating to weapons that have been confiscated or those involved in any ongoing investigation.

Mr. Chandler:

To the extent that any such records exist they constitute an inventory of law enforcement resources that are available for deployment in the event of an emergency pursuant to the Mutual Aid Agreement of Florida Sheriffs, established pursuant to the Florida Mutual Aid Act, Chapter 23, Part I, Florida Statutes. Furthermore, such records are also exempt pursuant to section 119.071(3)(a), Florida Statutes as security records. Therefore, we cannot comply with your request.
