Subject: If I may trouble you for some more public information...

This is three parts.

First, I'd like to see the name / rank of everyone employed by the Sheriff's Office between 1/1/2008 and 11/1/2010, and all pay rate and position changes in the SO payroll / human resources system for each person. Group by name, order by date, descending.

See attached documents.

Second, I'd like to see the name / rank of everyone employed by the Sheriff's Office between 11/1/2010 and 1/1/2011, and all pay rate and position changes in the SO payroll / human resources system for each person. Group by name, order by date, descending.

See attached documents

Third, I'd like to see the names / ranks of everyone who received money under payroll code 016 (identified in the Forensic Audit as performance pay) since 1/1/2010.

There are no records indicating any moneys received under payroll code 016 during this timeframe.

Note: Florida Statues require agencies to provide existing records upon request, absent any exemption under F.S.S. The law does not require agencies to generate new records to fulfill requests. The OCSO attempts to provide relevant information in an easily accessible format such as PDF.

The Okaloosa County Sheriff's Office is accredited by the Commission for Florida Law Enforcement Accreditation.

"The Okaloosa County Sheriff's Office provides equal access and equal opportunity in employment and services and does not discriminate"
