Public Records Request: Personnel Roster

From: Steven Menchel

On July 24, 2011 the OCSO received the following request for public records. The agency response is in **bold**.

Major Peacock,  
Earlier this year on January 9, 2011 OCSO provided information based on a public record request which included numerous personnel rosters for various years.

As a result of promotions, retirements, etc the roster identified by the number 12122010 in red is no longer valid.

I would appreciate if you would please provide me with a current OCSO personnel roster.

Thanks,

Steven Menchel
