

Sexual Predator Notification

It is provided to you pursuant to the Public Safety Act of 1997 establishing mandatory community notification of certain classifications of sexual predators or and optional notifications for sexual offenders.

Community Notification: Under the PSIA, local law enforcement must inform the community of the presence of a sexual predator within 48 hours of being notified by FDLE and has the option of serving notification to the community for all sexual offenders. Information provided to the public must include the following:

- The name of the sexual predator/offender
- Description of the sexual predator/offender, including a photograph
- Current address
- The circumstances of the predator/offender's offense or offenses.
- Whether the victim was a minor or adult at the time of the offense. (The release of the name of the victim is not authorized).
