From: Emerald Coast Crime Stoppers: Information Sought in Niceville Death Investigation

Investigators are hoping to locate the driver of a light colored pick-up truck who was seen at the end of 11th Street in Niceville the evening of Saturday April 13th. That is the same area where the body of an unidentified female was found in the Rocky Bayou Bay on Sunday, April 14th, at approximately 07:00 am. The man may have been fishing and may have had a small kayak in the back of the truck. The body is that of a white female, possibly in her 30's, and approximately 5 feet 5 inches tall, with blue eyes, and medium length brown hair. The female was wearing blue (Capri - type) jeans and a dark shirt. Sketches of the female have been released and can also be viewed at www.emeraldcoastcrimestoppers.com or the ECCS Facebook page.

The woman's remains were taken to the Medical Examiner's Office for examination and positive identification; however there is no known cause of death at this time. We are requesting the assistance of anyone who may have been in the area of Rocky Bayou between Saturday afternoon and Sunday morning or who can identify the driver of the light colored pick-up truck. Anyone with information is asked to contact the Okaloosa County Sheriff's Office CID at 609-2000 or Emerald Coast Crime Stoppers anonymously at 863-TIPS (8477).
