## **MAN ARRESTED FOR NO DRIVERS LICENSE IS CALIFORNIA MURDER SUSPECT**

A man arrested by the Okaloosa County Sheriff's office last month for driving without a license is wanted in California in connection with a 2003 murder.

The defendant originally gave his name as Emilo Liberato Nunez when he was pulled over January 16<sup>th</sup> at the intersection of Beal Parkway and Memorial Drive in Fort Walton Beach. He was arrested and his vehicle towed after the deputy determined the 29-year old, who had an address of 402 Yancy Street in Fort Walton Beach, had no license and no insurance.

When Nunez was picked up from the Okaloosa County Jail by U.S. Immigration and Customs Enforcement – or ICE - on February 6<sup>th</sup>, the agency learned that the suspect's real name is Ruben Martinez. Martinez is wanted in connection with the stabbing death of Carlos Lewin in Chino Hills California in July 2003. Investigators with the San Bernardino County Sheriff's Office say Martinez and Lewin got in to an argument that turned physical on July 20, 2003. Martinez is accused of stabbing Lewin in the stomach, then fleeing the scene. It was believed he may have fled back to Mexico. Lewin later died from his injuries.

Martinez is currently being held in the Escambia County jail, awaiting extradition back to California. Investigators there say he has approximately two dozen known aliases. It is not yet known how long he has been in the Fort Walton Beach area.

On 01/16/2013 At approximately 0610 hours I observed a yellow Honda Civic hatchback bearing Alabama Tag #5A34M01 heading south on SR189 in the area of Carmel Dr. The vehicle continued south with the white back-up lights steady illuminated as the vehicle was moving forward. I caught up the vehicle and initiated a traffic stop by activating my overhead emergency lights and siren. The vehicle turned right on to Memorial Blvd and pulled to the right side of the road. I made contact with the driver, who identified himself as, Emilio Liberato Nunez. When I asked for a driver's license, registration, and proof of insurance, he said he had just bought the vehicle and handed me the Alabama registration belonging to a Marquez Felipe. Nunez then said I don't have a driver's license. I asked you never had one and he said no. I asked if he had insurance and he said no. I had dispatch run the name and date of birth provided and there was no driver's license for either Florida or Alabama. I have reason to believe and do believe that Emilio Liberato Nunez violated F.S.S. 322.03(1) No Driver's License Never Had One and F.S.S.324.022 No Insurance. He was arrested and transported to booking for processing. Vehicle was towed by rotation wrecker Tona's Wrecker.

Case Status: Closed With Arrest
