OCSO LOOKING TO IDENTIFY INDIVIDUAL IN VIDEO

OCSO Investigators are trying to identify and make contact with the individual in a home surveillance video to see if he can provide any information that may help in the death investigation of Misty Medrano. The 30-year old Medrano was found deceased around 7 a.m. the morning of April 14th in the waters of Rocky Bayou Bay, near the area at the end of 11th Street in Niceville. Investigators want to find out if the man in the video driving the light-colored pick-up truck, who may have been fishing or kayaking in that area the evening before, saw or heard anything that could benefit the investigation.

Anyone with information is asked to contact the Okaloosa County Sheriff's Office at (850) 609-2000 or Emerald Coast Crime Stoppers at (850) 863-TIPS. Autopsy results on Medrano are still awaiting toxicology analysis.
