executed said narcotics search warrant at the aforementioned address. During the execution, Pritchett was located and detained inside the residence.

During a search of the residence agents of the Drug Task Force located the following contraband:

-Approximately one (1) pound of marijuana, which field tested positive for the presence of THC. This marijuana was packaged in a manner consistent with the distribution of marijuana. The packaging consisted of primarily gram bags and ounce bags of marijuana.

-A digital scale with marijuana particles, which tested positive for the presence of THC.

During a post Miranda interview, Pritchett made the following statements to your Affiant:

-Pritchett stated he does, on occasion, sell marijuana to few people.

-Pritchett stated he sells approximately one to two gram quantities to people and he does so on his own.

-Pritchett claimed ownership of all the marijuana and paraphernalia inside the residence.

Based on the above, your Affiant has probable cause to believe that Christopher Lynn Pritchett did violate Florida State Statutes 893.13.1a2: possession with intent to distribute marijuana; and 893.147: possession of paraphernalia.

I hereby swear (or affirm) that the facts established on this affidavit are true and correct to the best of my knowledge and belief.
