ARREST REPORT

OKALOOSA CO SHERIFF'S OFFICE

REPORT NO: OCSO14ARR008506

Approximately one hour later a white Mercedes was observed entering the parking lot of the hotel which was occupied by a white male and a white female. Shortly thereafter the undercover investigator received a phone call from phone number (850) [REDACTED] at which point the female was advised to come to room 206. After making contact with the undercover investigator, "Noma" advised that she would do everything for \$200.00. The undercover asked "Noma" if she would do "anal" and "Noma" agreed to have anal intercourse. "Noma" was then detained and immediately advised of her Miranda rights and was identified as Lisa M. Duke.

Post Miranda, Duke advised that she engages in prostitution because she has no where to stay and added that she normally just takes the money and leaves. Duke stated she uses the money to buy food, cigarettes, and hotel rooms. When asked about how many calls she usually takes Duke stated "4 or 5" then stated "less than 10." Duke also identified her phone number as (850) [REDACTED] but stated that she left that phone in her boyfriends car which is why she called from a different number and why she was in possession of the phone with the secondary phone number.

Search incident to arrest revealed several drug paraphernalia items in Duke's purse. Several corner baggies were located containing cocaine residue which field tested positive for cocaine. A clear lid was also located which contained a white residue which field tested positive for heroin.

Based on the aforementioned information I have reason to believe that the Defendant, Lisa M. Duke, did violate F.S.S. 796.07(2e) Solicitation for Prostitution and F.S.S 893.147 Possession of Drug Paraphernalia. These offenses did occur in Okaloosa County Florida.

I hereby swear (or affirm) that the facts established on this affidavit are true and correct to the best of my knowledge and belief.

[ STATEMENT OF PROBABLE CAUSE / NARRATIVE ]

On 08/14/14, the Okaloosa County Sheriff's Office Drug Task Force conducted a sting operation targeting prostitutes advertising on the internet. During the operation that was being conducted within the south end of Okaloosa County, the defendant, Julie MacleNNan, was observed dropping off a "call girl" after the call girl had set up an appointment to meet with an undercover officer at his hotel room. Surveillance was maintained on MacleNNan's vehicle by Investigators as it exited the parking lot of the Four Points Sheraton and traveled to the Gulfarium parking lot.

An investigative stop was initiated on the vehicle Julie MacleNNan was driving after probable cause was developed that she and her current female passenger, Violet MacleNNan, were aware of the activities occurring at the UC's hotel room.

During a post-Miranda interview, Julie MacleNNan informed Inv. Genrich that there was cocaine in the vehicle that belonged to "her and her wife (Violet MacleNNan)".

D/S Patterson and his certified narcotics detector canine partner, Dax, arrived on scene and conducted a walk around of the vehicle. D/S Patterson informed Investigators on scene that his canine partner alerted to the presence of the odor of narcotics.

[ STATEMENT OF PROBABLE CAUSE / NARRATIVE ]

On 08/14/14, the Okaloosa County Sheriff's Office Drug Task Force conducted a sting operation targeting prostitutes advertising on the internet. During the operation that was being conducted within the south end of Okaloosa County, the defendant, Violet MacLennan, was observed as a passenger of the vehicle that dropped off a "call girl" after the call girl had set up an appointment to meet an undercover officer at his hotel room. Surveillance was maintained on MacLennan's vehicle by Investigators as it exited the parking lot of the Four Points Sheraton and traveled to the Gulfarium parking lot.

An investigative stop was initiated on the vehicle Violet MacLennan was riding in after probable cause was developed that she and the driver, Julie MacLennan, were aware of the activities occurring at the UC's hotel room.

[ STATEMENT OF PROBABLE CAUSE / NARRATIVE ]

On August 14, 2014, members of the Okaloosa County Multi-Agency Drug Task Force, in conjunction with the Florida Department of Law Enforcement, conducted an investigation into prostitution [REDACTED] possibly occurring within Okaloosa County Florida. This investigation occurred at the Sheraton Four Points hotel located at 1325 Miracle Strip Parkway, Fort Walton Beach, Okaloosa County, Florida.

During this investigation a meeting was arranged with a female identifying herself as "Noma" who agreed to meet the undercover investigator at the Sheraton Four Points hotel. Surveillance units observed an older model Mercedes enter the parking lot which was occupied by a white male subject and a white female subject. The female subject exited the vehicle at which point the Mercedes departed the scene and was followed by surveillance units. During the investigation, the female, which was observed exiting the Mercedes, was confirmed to be "Noma" and was subsequently taken into custody for solicitation of prostitution.

Sgt. Ron Kimble made contact with the driver of the Mercedes at 656 S. Santa Rosa Boulevard, Fort Walton Beach, Florida, for the ongoing prostitution investigation. The subject, Nicholas A. Collins, was advised of his Miranda rights by Sgt. Kimble and exercised his right to have an attorney present. During the investigation D/S Derek York conducted a

canine walk around of Collins' vehicle utilizing his certified narcotics detector canine, K-9 Ranger, and advised that he had obtained a positive alert on the vehicle for the odor of narcotics.

During a search of the vehicle a plastic baggie containing suspected marijuana was located in the trunk of the vehicle. This marijuana was found to weigh approximately 48 grams and field tested positive for THC. Also located in the trunk of the vehicle was a clear plastic container which contained three smaller plastic containers which were found to contain suspected "butter." "Butter" is a substance created during the process of THC extraction from marijuana. The suspected "Butter" was found to weigh a total of 7 grams and also field tested positive for THC.

Based on the aforementioned information I have reason to believe that the Defendant, Nicholas A. Collins, did violate F.S.S. 893.13(6a) Possession of Marijuana over 20 grams and F.S.S. 893.147 Possession of Drug Paraphernalia. These offenses did occur in Okaloosa County Florida.

I hereby swear (or affirm) that the facts established on this affidavit are true and correct to the best of my knowledge and belief.
