

# RESURFACING

FROM ROBERTS DRIVE IN  
OKALOOSA COUNTY TO COUNTY  
ROAD 83A IN WALTON COUNTY

**FDOT Project Numbers:**  
424623-1-62-01 & 424623-2-62-01, 02, 03

## Construction work begins in March 2014

### PROJECT DESCRIPTION:

A \$7.4 million construction project will begin in March 2014 to mill and resurface State Road (S.R.) 20 from Roberts Drive in Okaloosa County to County Road (C.R.) 83A in Walton County. Other improvements include:

- New roadway striping and signage.
- Minor sidewalk, curb and gutter construction.
- New handrails and guardrails.
- New pedestrian signals.
- Upgrading some curb ramps to meet the Americans with Disabilities Act Standards.
- Roadway and shoulder repairs.
- Drainage improvements.

### TRAFFIC IMPACTS:

To help minimize traffic impacts, Okaloosa County lane closures will be limited to 8 p.m. to 5:30 a.m., Sunday through Thursday. Lane closures will not be allowed on weekends and holidays. In Walton County, drivers may encounter alternating lane closures during day and/or nighttime hours.

Personnel will be available to direct traffic through the work zone during lane closures. Access to driveways and private property will be maintained at all times.
