## OCSO DISCOVERS STOLEN CAR CONTAINED STOLEN PROPERTY

An alert Okaloosa County Sheriff's Office Sergeant spotted a car matching the description of a stolen vehicle at a Crestview gas station Tuesday and deputies then discovered the vehicle also contained property taken in multiple car burglaries.

30-year old Wendy Posey of 125 West First Avenue in Crestview is charged with car theft, possession of a controlled substance, burglary, and theft.

The owner of the stolen green Nissan Sentra had reported the crime last week. She said the car was taken from outside her home on Pocahontas Drive in Fort Walton Beach. It had been parked with a key in the ignition and the doors unlocked. On February 24<sup>th</sup>, a car burglary was reported at 5841 White Oak Drive in Crestview. A credit card taken in that car burglary was then used two separate times at the McDonald's on North Ferdon Boulevard. Video at the restaurant showed the female driver who used the card was driving a green Nissan Sentra. OCSO Sgt. Micah Redmon spotted a car matching that description at the Exxon gas station on North Ferdon and made contact with the female, later identified as Wendy Posey. Posey admitted the car was stolen and that items found inside it had been taken during several car burglaries she'd committed the night before. In addition, deputies say Posey had a red wallet in her possession that contained a syringe with methamphetamine inside.
