

**Auxiliary Aids Plan
Okaloosa County Sheriff's Office
And
Domestic Violence Programs**

OCSO shall comply with Section 504 of the Rehabilitation Act of 1973, 29 U.S.C. 794, as implemented by 45 C.F.R. Part 84 (hereinafter referred to as Section 504) and the Americans with Disabilities Act of 1990, 42 U.S.C. 12131, as implemented by 28 C.F.R. Part 35 (hereinafter referred to as ADA).

This plan is available in alternative formats at the request of staff and participants. This plan will be disseminated to persons and agencies working with people living with a disability and Limited English Proficient and will be posted on OCSO's website.

Single Point of Contact

The Single Point of Contact, Michael Brake, will ensure effective communication with Deaf or Hard-of-Hearing customers or companions in accordance with Section 504 and the ADA. The Single Point of Contact shall ensure that employees are aware of the requirements, roles, responsibilities, and contact points associated with compliance with Section 504 and the ADA.

Provision of Auxiliary Aids and Services

OCSO will at all times recognize that the customer or companion's preference is the primary consideration in determining what auxiliary aids or services to provide. If communication through a specific auxiliary aid or service is deemed to be ineffective, staff will ask the customer or companion to determine a more effective auxiliary aid or service for communication. Documentation shall be made in the customer's file regarding the attempt to improve the effectiveness of auxiliary aids and services.

If a participant or companion is Deaf or hard of hearing, The OCSO's staff shall obtain qualified interpreter services from the Language Line (through the communications center) if there is a language barrier or additional interpreter services such as deaf and hearing impaired through judicial administration which maintains contracted interpreters (contact the judicial services supervisor for assistance). All ASL interpreters' certifications shall be verified.

Staff that is unfamiliar with the auxiliary aid or service requested shall contact their Single Point of Contact (SPOC), 504/ADA Coordinator (Civil Rights Officer) or their Supervisor, for assistance in locating appropriate resources to ensure effective communication with clients, customers and companions.

Provision of Interpreters in a Timely Manner

OCSO staff shall provide interpreters for customers and companions who are Deaf or hard-of-hearing in a timely manner in accordance to the following standards:

- a. **Non-Scheduled Interpreter Requests:** For any emergency situation that is not a scheduled appointment, staff shall make an interpreter available as soon as possible, but in no case later than two (2) hours from the time the customer or companion or staff requests an interpreter, whichever is earlier. If the situation is not an emergency, staff shall offer to schedule an appointment (and provide an interpreter where necessary for effective communication) as convenient to the customer or companion, but at least by the next business day
- b. **Scheduled Interpreter Requests:** For scheduled events, staff shall make a qualified interpreter available at the time of the scheduled appointment. If an interpreter fails to appear for the scheduled appointment, staff shall take whatever additional actions are necessary to make a qualified interpreter available to the customer or companion who is deaf or hard-of-hearing as soon as possible, but in no case later than two (2) hours after the scheduled appointment

Auxiliary Aids Documentation

OCSO shall document the customer or companion's preferred method of communication and any requested auxiliary aids and services provided in the customer's program file. Documents and forms evidencing when and how The Center provided auxiliary aids and services to customers or companions shall be retained within the customer's corresponding file for seven years. Forms include but are not limited:

- Customer or Companion Assessment and Assessment and Auxiliary Aid and Service Record
- Customer or Companion Request for Free Communication Assistance or Waiver
- Customer or Companion Feedback form
- Auxiliary Aid Service Record Monthly Summary Report

This documentation will continue to be kept for record keeping with the SPOC.

Denied Auxiliary Requests

Documentation, with supporting justification, must also be made if any request was not honored. The OCSO's Executive Director is the only person that can deny auxiliary aid requests made by a customer or companion. If a staff person is not familiar with an auxiliary aid request, please contact the SPOC for information as well as ask the survivor for any information that you may need to secure this aid, but reiterate that the cost of any auxiliary aid is the responsibility of the agency and not the participant.

Referrals

If customers or companions are referred to other agencies, the provider must ensure that the receiving agency is notified of the customer or companion's preferred method of communication and any auxiliary aid or service needs. In order to accommodate this, The OCSO will ensure that the referral is desired by the participant and that he or she signs a Release of Information Form.

Customer Feedback Form

The provider shall distribute Customer/Companion Feedback Forms to customers or companions that are Deaf or hard of hearing and provide assistance in completing the forms if requested by the customer or companion. The original Customer/Companion Feedback Form shall be mailed to DCF, Office of Civil Rights, 1317 Winewood Boulevard, Building 1, Room 110, Tallahassee, FL 32399-0700 by the participant or if requested, by The Center. A copy of the Customer Feedback Form **shall not be kept in the file.**

Documentation/Record Retention

Records relating to auxiliary aids and services provided shall be retained by each local office and the original document retained in the client or customer's file or records. All final requests for accommodations, along with relevant documentation, will be forwarded to the designated 504/ADA Coordinator.

Signage

The Single-Point-of-Contact will ensure that conspicuous Notices which provide information about the availability of appropriate auxiliary aids and services at no-cost to the deaf or hard-of-hearing customers or companions are posted near where people enter or are admitted within the center locations. The SPOC's name and contact information should be on the Deaf and Hard of Hearing Poster as well as the name and contact information for the ADA 504 Coordinator.

The approved Notices can be downloaded through the Internet at: <http://www.dcf.state.fl.us>

HHS Reports

The OCSO shall submit HHS Reports monthly, no later than the 5th day of each month, to the FCADV Contract Manager.

Event Accommodations

The OCSO shall ensure accessibility to meetings, conferences and seminars to persons with disabilities, limited English proficiency, and Deaf or hard of hearing by placing the following statement on all event notices and advertisements prior to the event:

The OCSO will provide accommodations, including American Sign Language interpreters, assistive listening devices, alternative formats of printed materials and real-time captioning upon request for persons who are deaf, hard of hearing or are living with disabilities. Staff Training

The staff shall receive training on how to provide auxiliary aids and services for persons with disabilities and limited English proficiency (LEP) within 60 days of commencing employment. The Center's staff shall receive an annual refresher training on auxiliary aids and services for persons with disabilities and limited English proficiency (LEP). The Center's staff shall be trained to use the TTY phone and video relay call. Training documentation shall be maintained in each employee's training file.

Video Remote Interpreting

Through a video remote interpreter people can use an interpreter via technology to communicate with a participant in stead of an in person interpreter. Below is the phone number for the Registry of Interpreters for the Deaf which will provide contact information for certified video remote interpreting.

CART-Captioning Real Time and Providers

Captioning (Real Time). This is the simultaneous conversion of spoken words to text, through computer-assisted transcription or court reporting, and displaying that text on a video screen. This communication service is beneficial to individuals who are deaf or hard-of-hearing that do not use sign language or for whom assistive listening devices and systems are ineffective.
