**ARREST REPORT**

**OKALOOSA CO SHERIFF'S OFFICE**

**REPORT NO: OCSO15ARR010432**

When I arrived, I found Richburg in the roadway talking to Sergeant Michael Rader. I observed Richburg appeared to be under the influence of a controlled substance, possibly some form of stimulant. She was ranting about un-named persons who were following her and stealing from her. She was cursing at unseen persons in the trees with a loud and tumultuous tone. It appeared she was having visual and auditory hallucinations I believed to be associated with excited delirium. According to information I obtained during my investigation, I learned the 16 month old child had been carried to 4670 Haybarn by [REDACTED] Richburg put the child in the southbound lane of traffic on Haybarn and proceeded to confront the resident at that address. The child crawled/walked approximately 100 feet to the inside of a dog kennel outside that residence. The child stayed in the kennel for approximately 10 minutes prior to law enforcement arrival. The resident told Richburg to retrieve the infant from the kennel and Richburg refused and walked down the road. While the child was inside the kennel, he was bitten several times by ants. When Sergeant Rader removed the child, he brushed ants away from the child's bare skin. The child was clothed only in a diaper. As I was standing with Richburg, she screamed profanities and threats to kill the resident at 4670 Haybarn Rd. Richburg's actions placed the resident in fear of her safety and she was scared to move about her own property while Richburg was actively disturbing the peace.

I interviewed Richburg about the event. Post MIRANDA, Richburg stated she had carried [REDACTED] with her when she went to 4670 Haybarn Rd. Richburg stated she had gone there to confront the resident, Sabrina Sowell, about a debt. She stated she did put the child down prior to approaching the residence. She was unaware the child had crawled to the dog kennel or was being bitten by ants.

Based on a totality of the circumstances, I have probable cause to believe and do believe Carrie Richburg violated Florida State Statute 827.03(2d) in that she willfully and unlawfully neglected to provide proper care and supervision without causing great bodily harm. Richburg also violated Florida State Statute 877.03 in that she willfully and unlawfully approached the residence at 4670 Haybarn Rd with the intent to engage in a physical altercation with the Sabrina Sowell whereby causing fear and discontent to her. These offenses occurred in Okaloosa County where I am a sworn law enforcement officer.

I hereby swear (or affirm) that the facts established on this affidavit are true and correct to the best of my knowledge and belief.
