[ STATEMENT OF PROBABLE CAUSE / NARRATIVE ]

On April 26, 2016 at 0045 hours, I was dispatched to 8188 Miller Street, Laurel Hill, in reference to an Armed Burglary to an Occupied Residence.

While conducting my investigation, it was determined the defendant Anthony James King, along with two co-defendants, did actually and intentionally actively participate in an armed burglary of an occupied residence. The defendant took part in the planning and execution of the burglary and entered the rear of the residence through the rear screen door with the intent of stealing jewelry, money, and other valuables from within the residence. Prior to entering the property, one of the co-defendants was armed with a knife which was utilized to cut the window screen of the main residence. During the planning stages of the burglary, the three defendants agreed to punch, stab, and/or kill the occupants in order to carry out the burglary.

During the execution of the Burglary, the occupant of the residence became aware of their presence and armed himself in defense. Upon the victim arming himself, the three defendants fled the scene, dropping the knife.

During Post Miranda interviews, the defendant admitted to taking part in the planning and execution of the burglary and to a co-defendant being armed with a knife while in the commission of this offense. The knife was recovered and entered as evidence.
